

California Area School District Foundation

Local Scholarship Guidelines for 2024

All scholarships must be used during the 2024-2025 school year unless extenuating circumstances are approved by the Foundation.

Application Process for all Scholarships:

The student must provide the following completed documents to be considered as an applicant. In addition, you must meet any individual requirements of the particular scholarship for which you are applying.

- ◆ Resume is **REQUIRED** (as email attachment)
- ◆ Scholarship application (as email attachment) – use provided PDF fillable form
- ◆ Personal interview questions (as email attachment) – use provided PDF fillable form
- ◆ Essay - only for those scholarships requesting (as email attachment) – use provided PDF form

Transcripts **will not** be required but listed QPA/Grades will be verified through the Guidance Office.

Letters of recommendation/references are only needed for those scholarships requesting.

Application Deadline: **March 15, 2024**

The committee is requesting all documents to be completed and sent electronically, if possible. **Please send each required form as a separate attachment** and email to amolish59@gmail.com. If not able to complete electronically, please send by USPS snail mail to:

Mr. Anthony Molish
CALSDF Scholarship Committee Chairperson
PO Box 132
Daisytown PA 15427

All applicants will receive notification of receipt of their documentation. Please be precise and thorough in completing the requested information or your application may be rejected.

Scholarship winners will be announced at the May Day activities.

Be advised that any scholarship award will be paid directly to you after the completion of the fall college semester with submission of a transcript and proof of paid bill to the CALSDF from your college or university. Failure to claim the scholarship in a timely manner and/or provide the necessary documentation will result in forfeiture of your scholarship.
